-
- This map displays the geographical layout of Lewis County, New York, and its surrounding areas. Key features include:
- Towns and Municipalities:** Labeled towns include Hamilton, Herkimer, Fulton, Lewis, Oneida, and others. Specific locations like Boonville, Port Leyden, and Constableville are also marked.
 - Water Bodies:** The Hudson River is shown flowing through the county. Other water features include Lake Ontario to the north and various smaller lakes and ponds.
 - Utility Lines:** The map shows the National Grid (red lines), NYS Electric and Gas (yellow lines), and other local utility networks (blue and green lines).
 - Geographical Features:** The map includes labels for various geographical features such as the Inlet, Old Forge, and the town of Webb.
 - Administrative Boundaries:** The map shows the boundaries of Lewis County and its neighboring counties, including Hamilton, Herkimer, Fulton, and Oneida.
- The map is color-coded to distinguish between different types of land and water. Blue represents water bodies, green represents land, and yellow represents utility lines. The map is oriented with North at the top.

This map displays the geographical layout of Lewis County, New York, and its surrounding areas. Key features include:

- Towns and Municipalities:** Hamilton, Herkimer, Fulton, Lewis, Oneida, and others are labeled. Specific locations like Old Forge, Webb, Port Leyden, and Boonville are marked with dots.
- Water Bodies:** Various lakes and rivers are shown, including the Hamilton River and the Lewis River.
- Utility Service Areas:**
 - NYS Electric and Gas:** Indicated by a purple outline.
 - National Grid:** Indicated by a blue outline.
 - Other Utility Areas:** Various other colored regions represent different utility service providers.
- Geographical Features:** The map shows the county boundaries and the locations of several towns, including Hamilton, Herkimer, Fulton, Lewis, and Oneida.

This map displays the geographical layout of Lewis County, New York, and its surrounding areas. Key features include:
