There's more here.

Dear Conference Attendees,

We are happy to welcome you all to the 27th Tug Hill Local Government Conference! We appreciate the time you have taken to spend a day training on a variety of topics designed to help in your roles as municipal officials.

Thank you to BCA Architects & Engineers, GYMO Architecture, Engineering & Land Surveying, and the Development Authority of the North Country for sponsoring our conference at the platinum level. Thank you also to the numerous other sponsors and exhibitors who support this event. Our sponsors and exhibitors help us keep the conference registration fee low. We hope you have time today to visit the exhibitors' booths and learn about the services and products they provide.

Jefferson Community College continues to be a wonderful host for our conference. This year you will notice that we are using some different buildings and classrooms, thank you for bearing with us!

We hope you have an enjoyable and educational day!

Sincerely,

Katie Malinowski

Sessions for Assessors

8:30 a.m. – Noon

1H. Assessor Training: Maintaining Assessment Equity in a Post Annual Assessment World

ROOM: Building #6, Classroom 6-203

This six hours of certified training for assessors will be given to those assessors completing this all day training in the computer lab. Attendees will be shown methods to identify areas within municipal boundaries where inequity may exist. Using RPSV4 and Excel, participants will be able to identify potential problems where values may be increasing or decreasing, look at assessment ratios to base decisions on what type of property or which neighborhood needs adjusting, all while maintaining assessment equity on their respective assessment rolls. Class will be hands on with emphasis on manipulation of ratio studies in Excel, with brief explanation of importing valuation information from RPSV4.

3A. Emergency Management

ROOM: Building #6, Amphitheater 6-002

There are good reasons for having an emergency plan, most importantly to save lives and protect property. What is an emergency plan, what is the municipality's role in an emergency and is your community ready, are just a few of the questions that will be answered in this session.

- **Wade Beltramo, General Counsel**, NY Conference of Mayors, 119 Washington Avenue, Albany, NY 12210 (518)463-1185, wade@nycom.org, www.nycom.orgs

3B. Justice Court Options for Towns & Villages

ROOM: Building #3, Classroom 3-102/104

This session will cover options for sharing or consolidation of justice court services. It will provide the process for court consolidation under the Uniform Justice Court Act, as well as the process for sharing justice court services and expenses under the General Municipal Law. Options specific to villages and alternate solutions will also be discussed.

- **David Gideon, Town Justice**, Town of DeWitt, 5400 Butternut Drive, East Syracuse, NY 13057, (315)671-1095, dgideon@courts.state.ny.us, www.nycourts.gov/courts/5jd/

3C. Regulating Locally Unwanted Land Uses

ROOM: Building #2, Amphitheater 2-107

Have you ever wondered who is responsible for zoning administration and enforcement in your town or village? Learn how the legislative body, zoning board of appeals, planning board, and zoning enforcement officer interact together in carrying out enforcement of zoning and other local laws.

- **Linda King, Local Government Training Specialist**, NYS Department of State, 99 Washington Avenue, Albany, NY 12231, (518)473-3355, linda.king@dos.ny.gov, www.dos.ny.gov/lg

3F. Games of Chance & Bingo

ROOM: Building #3, Classroom 3-130

What is the clerk's responsibility as the licensing agent for gaming in you town or village? Presenters will review Articles 9-A and 14-H of General Municipal Law (Games of Chance and Bingo Licensing Laws respectively). Registration, licensing and financial reporting requirements of both the clerk and the bona fide non-profit, authorized organizations conducting bell jars, raffles, Vegas/casino games and bingo will be discussed.

- **Rich Kuczynski, Senior Investigator**, NYS Gaming Commission, 1 Broadway Center, PO Box 7500, Schenectady, NY 12301, (518)388-0210, rich.kuczynski@gaming.ny.gov, www.gaming.ny.gov

3G. Cultivating Community Leadership for Agriculture

ROOM: Building #14, Classroom H-116 A&B

Local governments can play a crucial role in the future for farming in New York. This session will highlight reasons that local governments are making agriculture a priority and examples of communities taking action to protect farmland and support local farmers.

- **David Haight, NYS Director**, American Farmland Trust, 112 Spring Street, Suite 207, Saratoga Springs, NY 12866, (518)581-0078x304, dhaight@farmland.org, www.farmland.org/newyork

1:15-2:30 p.m. ~ First Afternoon Session

2A. Open Question Period with Bob Freeman

ROOM: Building #6, Amphitheater 6-002

Bob Freeman is the world-renowned expert on Freedom of Information and Open Meetings Law. He is here to answer any questions you have regarding this topic so bring your questions to this always informative and lively session.

- **Robert Freeman, Executive Director**, NYS Committee on Open Government, NYS Department of State, One Commerce Plaza, 99 Washington Avenue, Suite 650, Albany, NY 12231, (518)474-2518, coog@dos.ny.gov, www.dos.ny.gov/coog/

2B. What Local Officials Need to Know About Unmanned Aerial Systems (Drones)

ROOM: Building #3, Classroom 3-102/104

Small Unmanned Aerial Systems (sUAS), aka "drones," will play a growing role in all aspects of our lives over the next decade. Learn about the current regulatory environment, how sUAS are being used today and predictions of the future.

- **Andrew Raus, AICP, Vice President**, Bergmann Associates, 28 East Main Street, 200 First Federal Plaza, Rochester, NY 14614, (585)232-5135, aaraus@bergmannpc.com, www.bergmannpc.com

2C. Reading & Interpreting Subdivisions & Site Plans

ROOM: Building #2, Amphitheater 2-107

This introductory level presentation will include the level of detail to be expected for concept, preliminary and final site plans, and will also discuss conventional and cluster subdivision plans. Participants will learn how to read and review a final set of plans consisting of subdivision, utility, grading, erosion control and landscaping.

- **Peter Vars, P.E., President**, BME Associates, 10 Lift Bridge Lane East, Fairport, NY 14450, (585)377-7360, pvars@bmepe.com, www.bmepe.com

2D. The Interpretive Power of the ZBA

ROOM: Sturtz Theater 4-111

This session will explore the little-known, yet extremely important, "other" power of the ZBA...the power to decide what the zoning code means. Discussion topics will include the rules circumscribing the interpretive power, procedures to be utilized, the inter-relations of the parties, Appellate considerations, and the effect of interpretation rulings.

- **Scott Chatfield, Esq.**, Chatfield Associates, P.O. Box 70, Marietta, NY 13110, (315)636-7911, scottchatfield@live.com

2E. Let's Make it Clear

ROOM: Building #2, Classroom 2-102

The purpose of street signs is to convey a message and provide practical experience to drivers that will result in the orderly and predictable movement of traffic. This training will review the problems associated with obstructions at intersections (more than half of all collisions occur at intersections); proper sight distance (how much is enough?); and assuring clear zones (what are they?).

- **Mark Loveless, President/Consultant**, Traffic Control & Technical Services, Inc., 5305 Fancy Tract Road, Machias, NY 14101, (716)474-5097, controlinc@yahoo.com

2F. Addressing Peddlers & Solicitors in Your Community

ROOM: Building #3, Classroom 3-130

Door to door solicitors come in many shapes and sizes. These solicitors can offer deals on magazines, energy audits, opportunities to sign petitions, cookies, and much more. Most of the time they are what they say they are, but homeowners should always be wary when strangers come to visit. This session will discuss what a municipality can do to address solicitors in their community.

- **Wade Beltramo, General Counsel**, NY Conference of Mayors, 119 Washington Avenue, Albany, NY 12210 (518)463-1185, wade@nycom.org, www.nycom.org

2G. NYS Ag Districts Law & Local Zoning Regulations

ROOM: Building #14, Classroom H-116 A&B

Attend this session and learn about the interaction between NYS Agricultural Districts Law and local zoning regulations; local regulation of farming operations; and how farmers can request a review of potentially restrictive regulations.

- **Matthew Brower, Agricultural Resource Specialist**, NYS Department of Agriculture and Markets, 10B Airline Drive, Albany, NY 12235, (518) 457-8887 matthew.brower@agriculture.ny.gov, www.agriculture.ny.gov

Warm Up The Workplace

Through an eclectic mix of music, comedy and poignant story telling from his diverse background, Frank Pastizzo forges a connection with his audiences. Seeing the workplace as an extension of our lives where we spend the majority of our time, Frank inspires us to bring the qualities we hold most ideal in our family lives, into our schools, businesses and organizations. Through the modeling and practice of his C.H.E.R.I.S.H., we are able to attain an environment where we feel a sense of loyalty and trust, and it shows. The result is an establishment where we feel a sense of belonging, direction, and comfort.
