Imminent threat

Locally TIER 3 Training

- The Emergency Management Certification and Training (EMC & T) program has been developed to support Governor Hochul's strategy of creating unified emergency management training, education, communication, and response protocols. The training is intended for those with a role in emergency management or disaster response in New York State. Local Public Officials, First Responder Leadership and Other Partners (Tier 3) The Tier 3 training is delivered in partnership with County Emergency Management

Here it comes...

Failure of Big Dam in Next Door County

Your/Their Border

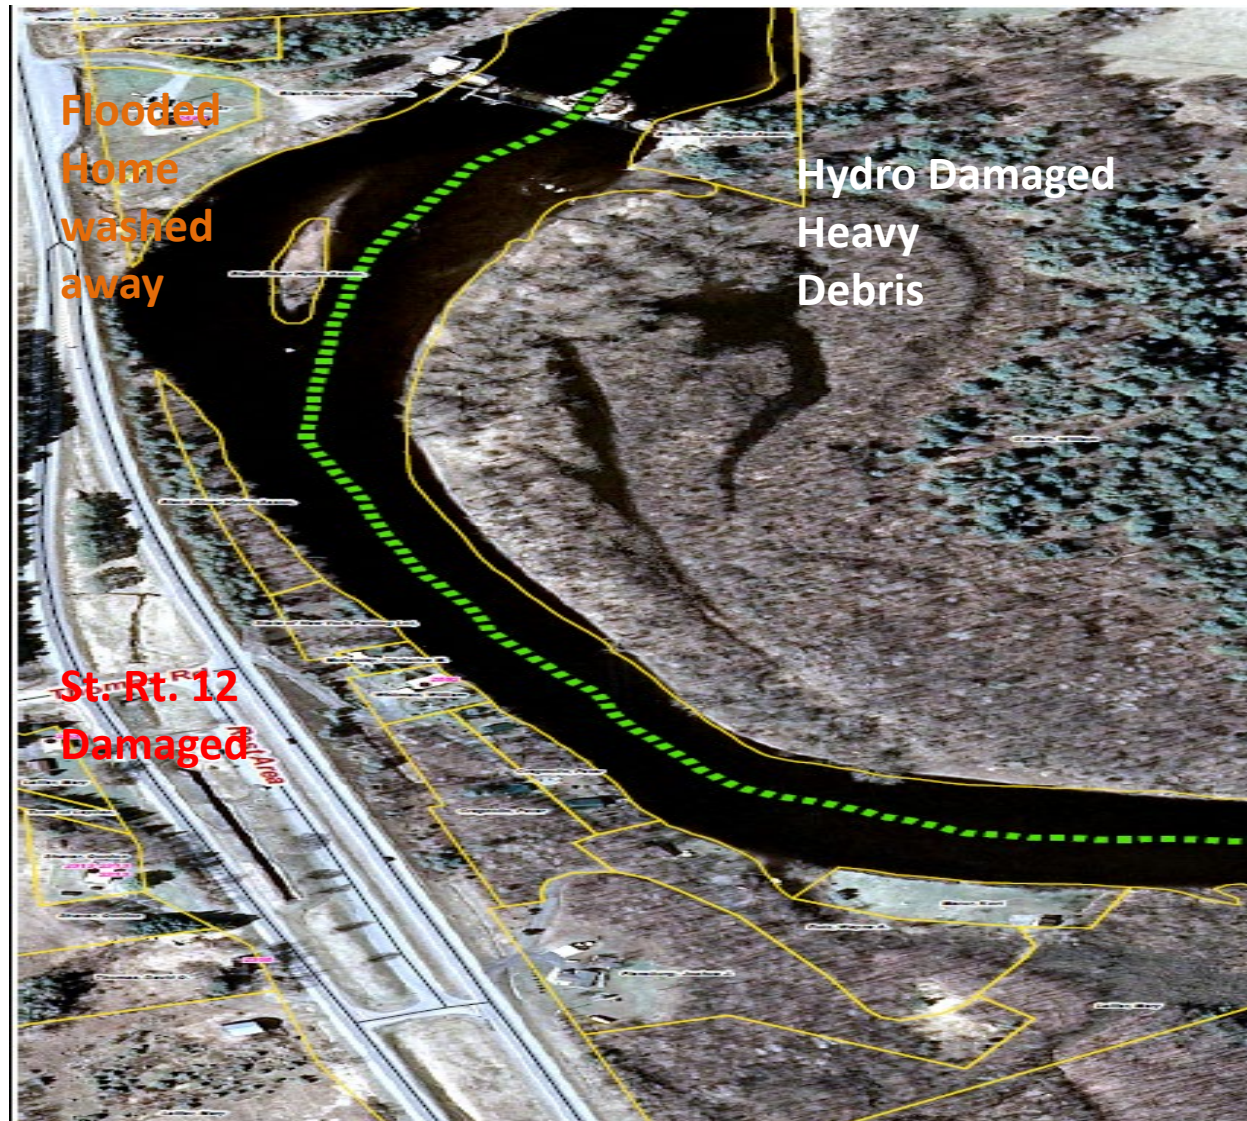

River Road North View

River Road South View

Rt. 12 South of Norton Road Not Assessable Road Missing

- The Snow Came

Recent Weather

Last night's snow hampered cleanup and recovery. All municipalities incurred overtime to keep passable roads open and safe.

River Road

Housing & Supplies

Location/Current Status

- 7 Elderly displaced
- Red Cross Shelter at South Village
- National Guard 48 Troops

Agency Assisting

- Red Cross assisting at Edge Motel
- School reports supplies can hold out for 3 more days
- Your Village FD Aux. running low on \$ to feed. 2 days max.

Safety

Public Health POD for inoculations

Boil Water still in effect for all wells

Permanent barricades placed by National Guard

Fire and Ambulance zones reworked for flooded/damaged roads.

Aerial flights completed all homes isolated have been contacted or evacuated.

Infrastructure

River Road damaged assessment still underway.

E Main St. bridge in Your Village impassible due to debris damage and footer washout.

St. Rt. 12 South of Lock still damaged traffic flowing well 12D-St. Rt. 26.

Your Village Elementary codes inspection done, building sound will reopen after door repair and cleaning of mud & debris.

Logistics

Water still arriving at Big Business Mfg. will need closer distribution point for drop off, All Textile warehouse in Your Village (will need cleaning)

Food MRE's due Wednesday and comfort kits for displaced, warehouse needed.

Larger truck may be needed to move and distribute water to villages.

More volunteers are needed for distribution of donated goods.

Finance

Town of Riverdale reports low fuel at town barn. Vendor requesting payment before next delivery, (\$23,000). May need skid tank to continue operations.

County Highway reports \$3600 additional in overtime projected 2 week cleanup and repair to villages requesting overtime increase to \$12,000 to cover. Assistance focused in Leyden, Riverdale and West Village. Providing backfill for daily operations.

Leydens burden lessened by village contract with Truck-R-Buddy (they have sub-contracted additional to assist in cleanup).

Finance Cont.

Governor has toured area this is classified as a “local” disaster projections currently at 24 million short of 26 million required for FEMA assistance. State has assured dedicated resources and further assistance is forthcoming though no specifics have been given.

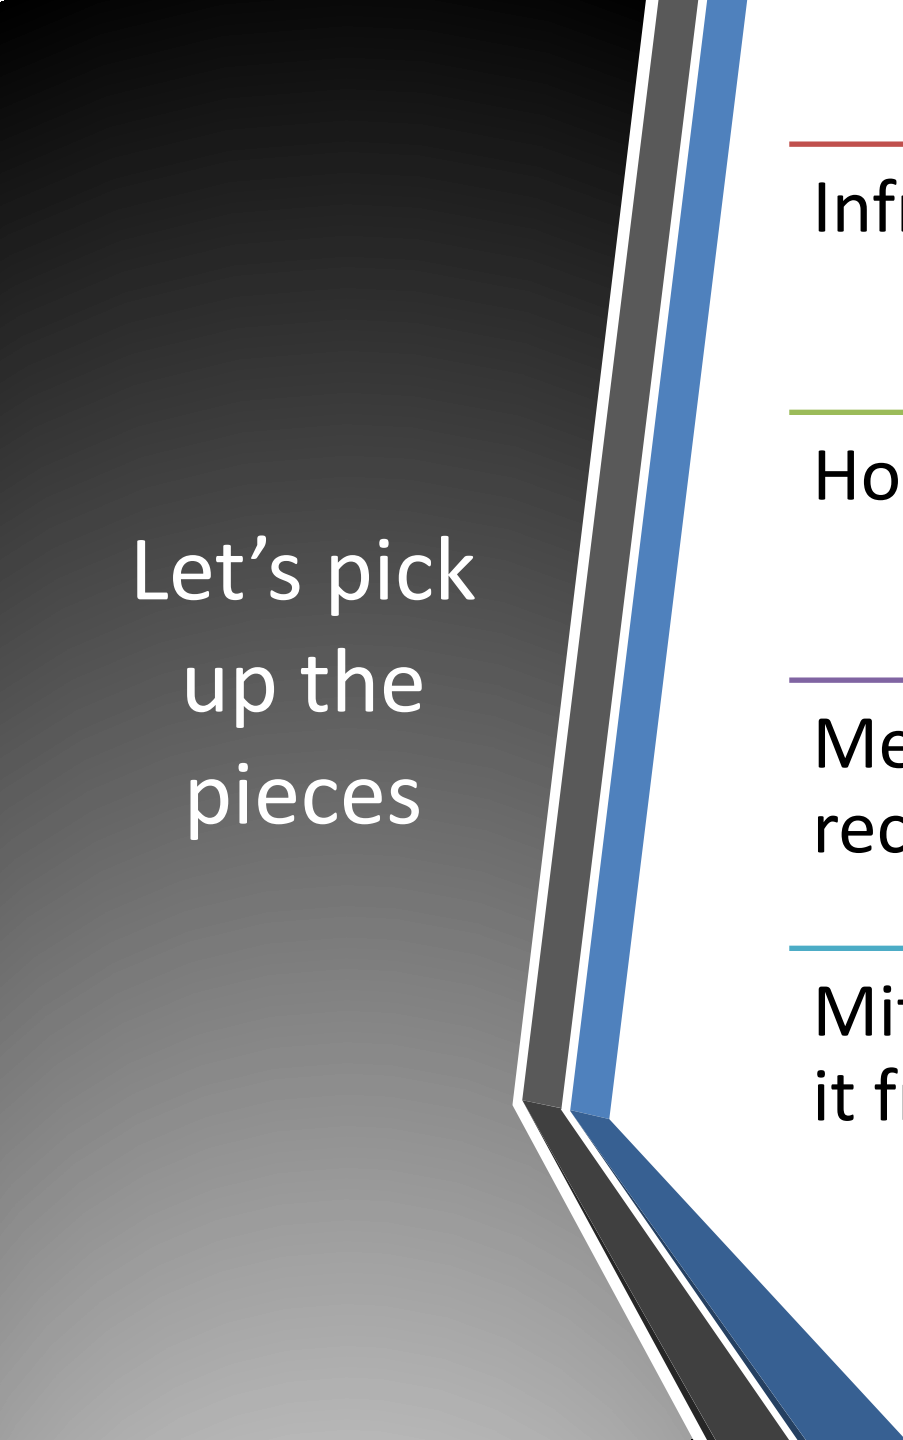

SBA has interviewed some families and have offices set up in the Storefront plaza in Your Village

Those who qualify for flood insurance may not receive benefit if FEMA doesn’t declare an aerial disaster.

Is this within your control? Who can I call?
